BEUERLEIN'S

Carnations

We are pleased to submit our 1941-1942 pamphlet in which we have listed several of our new seedlings. We believe these to be supreme in their respective classes.

We are offering for sale, only the varieties which have proved to us, to be good commercial carnations.

Due to limited supply on some varieties it will be to the advantage of all customers to place their orders as early as possible.

Rooted cuttings ready for delivery from December to June.
